• RAMAI DI FORCE •

MUSEO

If you want to live the new unique experience of the art of copper craft antique but projected towards the future in fashion and interior design,
we are waiting for you at the Force Ramai Museum.
In addition to the exhibition of traditional copper objects of Le Marche, you can relax in the secret garden
while your children enjoy the workshops making their first copper creation.

Corso Beata Maria Assunta Pallotta, 25
Force AP
